RINGANA partners

RINGANA wants to grow at its site in Spain and is looking for motivated employees to help continue its success story. We started out in a small laboratory, but now we are a team of over 800 employees at 10 locations.

Your Responsibilities

- Picking, packing, labelling, and shipping products per packaging guidelines

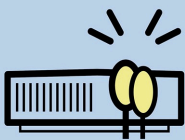

Your Qualifications

- Beneficial: Experience in shipping or warehouse operations

- Storing goods, taking inventory, and handling returns
- Sorting with a parcel service provider.
- Finishing or repairing products for shipping
- Documenting packaging and sorting products that don't meet RINGANA quality standards
- Conducting quality control and daily package inspections
- Handling phone calls and orders (problems, special cases).
- Arranging, cleaning, and maintaining goods
- Performing various tasks as assigned by the supervisor
- Open to working in rotating shifts
- High level of accuracy, diligence, and reliability
- Strong quality awareness and attention to detail
- Team-oriented mindset, resilience, and flexibility
- Excellent Spanish (C2)
- Basic English knowledge is a plus
- **Mandatory: valid work permit for Spain**

What really counts? Your personality, your know-how, and your commitment – we reward these individually.
